PURVEYORS OF
BREDEKLOOF
MAKERS
CHENIN BLANC

The Bredekloof Wine Valley is one of South Africa's most picturesque, and dramatically beautiful, wine regions. The diverse terroir – from mountain slopes, to the banks of the Breede River – allow for many different types of cultivars to be planted, resulting in a wide range of award-winning wines produced by our wineries. We do, however, have a special focus on Chenin Blanc with our Bredekloof Makers wines.
